

DO YOU KNOW WHERE YOUR BEEF COMES FROM?

WE DO!

Heritage Ranch Premium Source Verified Beef™

America's only beef that can be traced right down to the ranch it came from. It's an exciting new program that meets consumer demand for locally grown foods and provides our customers with only the best tasting beef that comes from U.S. ranchers who share our passion for quality.

To learn the story of the ranch your beef came from, or to download free POS materials, just enter the Ranch-ID on your product package at www.ungermeatco.com

- All Natural & Sustainable
- 100% Source and Age Verified Beef
- Traditional breeding and raising standards
- Adherence to safety and quality practices
- Source verified beef
- 100% Vegetarian Diet

Every box of Heritage Ranch Beef has a ranch code indicating where the beef was sourced from.

Visit www.ungermeatco.com to enter the ranch code to find out where your beef came from and print marketing materials about the ranch like posters, table tents, menu inserts and more. See the example of a Heritage Ranch box with code below.
