Have Questions about Ordering?

BlueNet Ordering Instructions Download

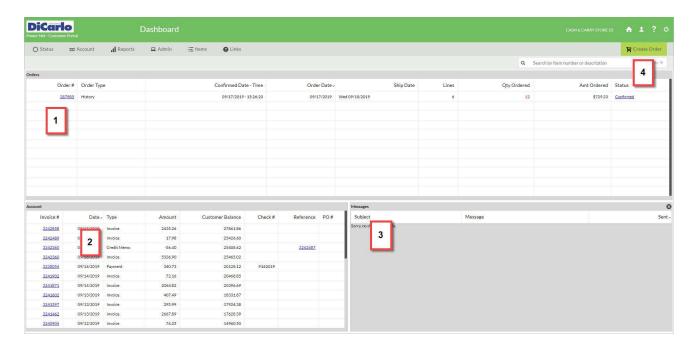

Login to the application.

Enter your username and password and then click on "Sign In".

Note: You can obtain account credentials from your salesperson or by contacting our customer service department at: 631-758-6000

Placing Your Order Online

When you login to your account you will be presented with the dashboard shown above.

- 1. This panel will display your order history.
- 2. In this panel you will see the status of your account.
- 3. Finally this panel will display administrative messages.
- 4. Click on "Create Order" to start your order.

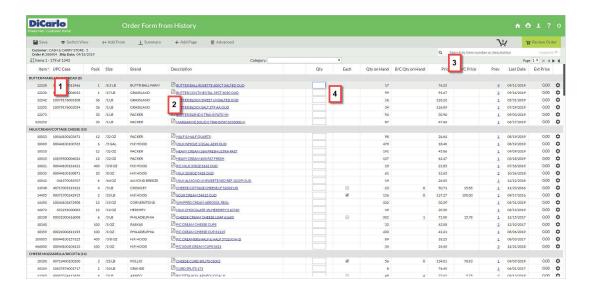

Beginning the order entry process.

- 1. The default is to create an order from your prior order history. You can also select your requested ship date and include a purchase order number here.
- 2. Select "Start order" to begin.

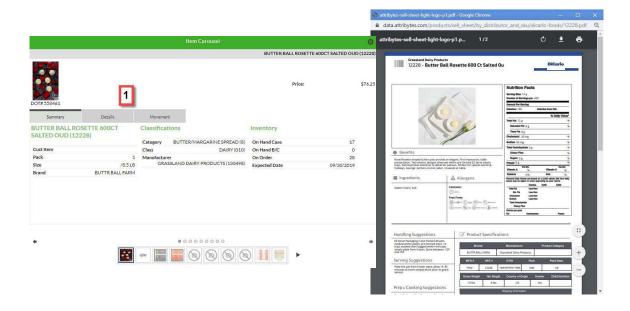

Placing Your Order Online

Order Entry Screen

- 1. Here you see a list of the items you have ordered from us in the past.
- 2. By selecting the icon here or the item description you can review more detailed item information. (Example on the next slide.)
- 3. You can use this search field to locate items.
- 4. Enter the quantities for each item you want to include on this order.

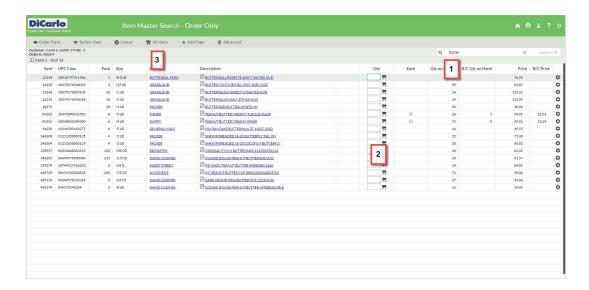

Detailed Item Information

1. There are several tabs to review product data.

Note: You can also print the data sheet as shown in the image on the right.
