

### **Killer Key Lime Pie 10"**

**#340300 2/12 slice**

This Four Time National Champion is a truly "Authentic" Key Lime Pie! In undeniable Key West fashion the filling is made with egg yolks, condensed milk and Nellie & Joe's Key Lime Juice ®. That's it! No fillers! No preservatives. We pour our filling into our scratch graham cracker crust and bake it till it's just right.

### **Granny Apple Crisp 10"**

**#340320 2/12 slice**

This recipe goes all the way back to Grandma Smith's kitchen, with a little meddling by Mike. We combine tart apples with just the right amount of sugar and cinnamon and a buttery crumb topping.

### **Three Layer Chocolate Cake 10"**

**#340322 2/12 slice**

Our scratch cake recipe, unequalled in moisture and flavor is piled three layers high and covered with our scratch chocolate icing (made with Hershey's Cocoa). The top of the cake is then covered with HERSHEY'S® Dark Fudge Chocolate Topping. To finish it off, we dress the sides with chocolate chips. The secret to the moist cake is we put mayonnaise in the cake batter.
