Spreading the History of Sicily All Over the World

The Asaro Family has been operating the farms on its estate for over a century. The Asaro Farms are located in the small town of Partanna, in the Belice Valley. The Western part of Sicily between Palermo, Trapani and Agrigento is an area blessed with mild climate, abundance of water and fertile soil. This is where *Nocellara del Belice* Olives, also known as "Castelvetrano" Olives are produced. It's from these same olives that we make our Famous Sicilian Extra Virgin Olive Oil
