Autumn Squash

northshire farms

The cooler months are prime time for Autumn squash. Pumpkins may get all the glory at Halloween, but there are many other versatile, vividly colored, flavorful, and nutrient-packed varieties to brighten up fall and winter meals. Sweeter, denser, and more firm in texture than summer squash or zucchini, winter squash take well to a wide spectrum of seasonings and can be true crowd-pleasers in warming soups, casseroles, risotto, lasagna, and even desserts.

MIKE'S PIES

Killer Key Lime Pie 10”

#340300 2/12 slice

Authentic Key Lime Pie is made with egg yolks, condensed milk and Nellie & Joe's Key Lime Juice ®. That's it! No fillers! No preservatives. We pour our filling into our scratch graham cracker crust and bake it till it's just right.

Sea Salt Caramel Cheesecake 10”

#340328 2/12 slice

We start with New York cheese-cake and swirl in thick, rich caramel. It is topped with a layer caramel topping. We suggest the server to crack sea salt on the slice, table-side. It adds a texture element that enhances the flavor.

Granny Apple Crisp 10”

#340320 2/12 slice

This recipe goes all the way back to Grandma Smith’s kitchen, with a little meddling by Mike. We combine tart apples with just the right amount of sugar and cinnamon and a but-tery crumb topping.

Chocolate Layer Cake

#340635 2/12 slice

The cake is known for its moisture and flavor, made with a scratch recipe featuring Hershey's cocoa in the icing. It is topped with a layer of Hershey's dark fudge chocolate topping and dressed on the sides with chocolate curls.
