SANTA MAURO

Qualita Garantita Dal 1963

Imported from Italy, Santa Mauro pasta brings old world style to your dishes. Our pasta is made in the traditional method using bronze dies. Bronze die-cut pastas are coarser and more porous. This yields a better surface for sauces to cling to and a longer holding time.

Spreading the History of Sicily All Over the World

The **Asaro Family** has been operating the farms on its estate for over a century. The **Asaro Farms** are located in the small town of **Partanna**, in the **Belice Valley**. The Western part of Sicily between Palermo, Trapani and Agrigento is an area blessed with mild climate, abundance of water and fertile soil. This is where **Nocellara del Belice Olives**, also known as “**Castelvetro**” Olives are produced. It's from these same olives that we make our Famous Sicilian Extra Virgin Olive Oil
